**Subject:** Filing Deadline, 2014-346-WS Proposed Orders

Good morning, Mr. Butler.

Pursuant to Order 2021-581, entered August 25, 2021, the parties' proposed orders on the reparations and related issues are currently due on Wednesday, September 15, 2021. Oral arguments are set for November 30, 2021.

I write to seek a one-week extension for the parties to submit their proposed orders, thereby establishing a new deadline of September 22, 2021.

DIUC and the POAs consent to the request for extension. ORS does not object to request. This deadline has not been previously extended.

Thank you in advance for your consideration.

Tom
